

CARRIER REQUIREMENTS

Our number one priority is providing dependable and consistent on time service. In order to do so, we must insist on a standard of excellence that each of our carriers must maintain. Our qualifying carriers must meet the following criteria and provide all pertinent information listed below:

- Must be in business at least 1 year
- Must carry a minimum of insurance as follows: Cargo \$100,000 / Liability \$1,000,000
- Must maintain at all times a “satisfactory” rating with the Federal Motor Carrier Safety Administration (FMCSA). Drivers must comply with current Federal driver hours of service regulations while providing services for Expedited services inc.
- Must have the ability to contact drivers by GPS satellite, cell phone or pager
- Must have central dispatch and after hours contact if needed
- Must have drivers contact Expedited Services Inc. directly for all pick and delivery information
- Must have updated equipment
- Must execute our Broker/Carrier Contract

Expedited Services Inc. utilizes the website of the FMCSA to review a carrier’s profile. We also use other carrier monitoring services such as Carrier411 & TransCore registry. These two services are by subscription only. As a member of the TIA, we also utilize the TIA Watchdog program. All these services are used to continually monitor a carrier’s service record, insurance, safety and other pertinent information.

SET UP PACKAGE: This information must be returned before driver can be dispatched!
